

2010 Automotive Faculty Development Workshop

Automotive Instructors:

Welcome to the 23rd annual Weber State University Automotive Faculty Development Workshop.

Training this year consists of three, three-day courses covering automotive electrical systems, engine controls and Hybrid and alternate Fuel Vehicles.

Our corporate partners are providing important technical and financial support. Three sessions are being offered.

Registration is online on our website www.weber.edu/automotive under the "Important Dates and Events to Remember" column on the right hand side. There is a link to register with the Utah State Office of Education (USOE) <http://cte.usu.edu/trademain.cfm>. Our workshop is number **Skilled and Technical Sciences 906** on the registration form. **This will register you for the conference, not the individual classes.** Please return the attached form to specify which classes you would like to attend.

Class sizes are limited and are available on a first-come first-serve basis. Courses offered this year are:

WEDNESDAY through THURSDAY, June 8-10, 2010 (Pick One)

Class Times	First Option	Second Option	Third Option
8:30 am - 3:30 pm Wednesday - Thursday June 8-10, 2010	Toyota Engine Controls 1 Credit Hour <u>Instructor:</u> Will Carroll - Toyota Training Center - Room 202-D	Hybrid and Alternate Fuel Vehicles 1 Credit Hour - <u>Instructor:</u> John Kelly - WSU Automotive - Room 214	Ford Basic Electrical Systems 1 Credit Hour - <u>Instructor:</u> Will Speigle - WSU Ford Specialist - Room 215-H

Weber State credit is available for workshop courses under the course number *ATTC 5920* for a small recording fee. Also, state recertification credit is available at no cost.

All sessions are scheduled to begin at 8:30am.

Please complete the enclosed form and return it to WSU by Friday, June 4, 2010. Thank you for your interest and we hope to see you there.

Sincerely,

John D. Kelly
Automotive Technology Department Chairman
